EXPERIENCE THE JOURNEY FIND THE TREASURE

Saint Joseph Parish is more than a beautiful building or historic liturgy. The word *parish*...comes from the Greek word *paroikia*...meaning *people on a journey*...and from which we get the word *parishioner*.

We are a community of believers seeking to experience Jesus through Word and Sacrament. We're not perfect...we don't claim to be. We're on a journey of faith, hope and love...love of God and each other.

We invite you to come and grow with us on our journey and experience God's uncompromising love for us. Along the way...we hope you will find our real treasure...our people...and discover you too are a treasure.

**The Church is not a building.
It's the people.**
