WEDNESDAYS IN LENT 2017

TREASURES UNCOVERED:

THE PARABLES OF JESUS

BY JEANNE KUN...

*"Understand!"... "Grow!"... "Reflect!" ... and
"Act!"*

Lent is a time for refreshment and renewal as much as it is for giving something up...like that chocolate cake dessert. During our Lenten Study this year we will "uncover" the treasures found in six of Jesus' parables. The author of our book, Jeanne Kun, is a staff writer for Word Among Us Press and has published nineteen books on prayer and reflections on Holy Scripture. Our first session will introduce us to the book and the format for each of the following sessions. Each session is a stand-alone...as we read through the Parables we will have the opportunity to "Understand!"... "Grow!"... "Reflect!" ... and "Act!" Please join us even if you are able to attend just one or two of the sessions.
